Michael Franz

Student at Washington State University
Sammamish, Washington, United States

Summary

Interested in pursuing career opportunities in broadcasting, media production, and data analytics within the sports marketing and management field. Would be interested in hearing from any contacts regarding potential internships, paid or unpaid, in these fields of study.

Experience

Hubbard Sports Media

Lead Editor and Writer

March 2026 - Present (3 months)

Pullman, WA

Lead editor and writer for a sports media platform focused on in-depth analysis, storytelling, and coverage across college and professional athletics. Write and publish sports articles, including work featured on Substack. Experienced in content strategy, audience building, and sports journalism.

Mariners Report

Sports Content Creator

February 2026 - Present (4 months)

Pullman, WA

Every day during the season I post on TikTok, a break down of the latest from your Seattle Mariners. Recapping the previous day's game, highlighting key performances, and looking ahead to what's next. Whether the M's are riding a win or shaking off a tough loss, I give you the honest, informed take you need to stay locked in all season long.

The Club at Snoqualmie Ridge

Seasonal Greenskeeper

May 2025 - Present (1 year 1 month)

Snoqualmie, WA

Assist in the summers with daily upkeep of course grounds including mowing, trimming, raking bunkers, and watering greens. Operated landscaping

equipment safely and contributed to the overall appearance and playability of the course through daily upkeep.

Freelance

Math Tutor

January 2024 - June 2024 (6 months)

Provided one-on-one instruction in math subjects including algebra and geometry. Assisted students in understanding key concepts, improving problem-solving skills, and building academic confidence. Tailored lessons to individual learning styles.

Freelance

Pet and House Care

January 2022 - June 2024 (2 years 6 months)

Provided reliable care for household pets and plants while owners were away. Responsibilities included administering basic care, watering plants, collecting mail, and ensuring home security.

Education
